Across

3. "For the smartest summer of your life." This polyester fiber was all the rage for '61.
8. "Now it's for those who think young." Think beverage, but not the standard cola.
9. This type of vinyl flooring was popular in the late fifties and sixties.
10. "The quality goes in before the name goes on"
12. Body by

Down

1. This famous brand comes both in pencil and pen! It's not papermate, however.
2. This popular radio and television star hung out with Sinatra and Jerry Lewis through many television specials and movies and OTR.
4. Although fairly common now, this method of automobile construction was considered quite novel when employed on a large basis by Chrysler in the early Sixties automobiles.
5. This very popular Republican president penned a series of articles in the Saturday Evening Post entitled "Now that I am a private citizen." We like
6. Let's paint something with this famous brand of paint for "beauty without bother" from Dupont.
7. This is a toughie. Think boats and this: "When you look at performance this way!"
11. This oil and gas company has long since become part of a conglomerate. Their slogan was: "Fill 'er up with Good regular."
